

On September 10, 2019 SFS held their monthly meeting at Hunters at 7 pm.

Prior to the meeting the raffle drawing was held.

Winners included

750.00 Laryssa Ronyak

500.00 Stephanie Hoveland

250.00 Tim Grey

100.00 Eden Brunsell

100.00 Jake Schafer

100.00 Jim Herdt

50.00 Sylvan Brunsell Sr.

50.00 Latisha Salazar

50.00 Callie Calhoun

50.00 Jayme Diffley

Congratulations to the winners.

The meeting was called to order by Brent. Brent, Eden and Renee answered roll call with Rusty being absent.

Brent read a thank you card from Leland's mom for sponsoring Leland on the ride.

The minutes of the last meeting we approved with a motion made by Brent, 2nd by James.

In old business, the discussion of dues came up. Of the dues received \$20 of every individual or family membership goes to SND and \$31 or every associate membership. There has been nothing new on the snowmobile contract thru the state. We revisited the tiers for associate members and what they get for their membership. Gold was tabled for now. (500) Silver is to receive a logo on our

banner, trail sponsorship and a decal for their business, a vote in the club and a vote in SND, SnoDak news, and associate membership. (250) Bronze membership would include 1 club vote, 1 SND vote, SnoDak news, and associate membership, and a decal. Brent made a motion, 2nd by Heather to accept these provisions. Motion carried. James requested a trail map to present to future associates. Brent said they have been available since our organizational approval. Every member will get one e-mailed to them.

In new business our 501 (c) (3) has been approved.

Rusty is to submit an article to SnoDak news for the October edition.

Eden gave the treasurers report before the raffle and memberships. Backroads wants to upgrade their membership to Bronze status. As of right now we have 19 renewals and 1 new membership.

Sylvan and the trail coordinators are going to run the trail system to become familiar with the route for signing. They would like to do signing on Oct 19-20 with a work day prior to that.

Heather spoke on the activities. They had 25 riders on Leland's benefit ride. They also have t-shirts and sweatshirts available if anyone is interested. Mini donuts were sold at Awe shucks and after all expenses and incimate weather we cleared \$23. We now have the supplies paid for as they would like us to do these for Dickens. Eden did a scarecrow for the event and sounds like it was the winner. Heather also informed us of the \$200 float grant from the Dickens Festival.

It was suggested that those attending the state convention in Dec. wear a SFS logo shirt.

The next meeting will be October 1, at Garrison Cenex at 7 pm. Hope to see more faces and new members as the season approaches. The meeting was adjourned by Brent, 2nd by Jeremy.
