

The July meeting of the SFS was held at Douglas Creek on July 13, 2019. All officers were present. The minutes of the last meeting were approved by all.

Brent presented a raffle permit fee from the city for \$10. Rusty made motion to pay, 2nd by Travis. Motion carried. No invoice has been received for the printing of these from BHG so tabled till next meeting.

Renee made motion to go with the \$56 post office box fee. 2nd by Heather. Motion carried.

Still do not have invoice from Signs and Wonders. Brent will make a phone call and see where we are at with this. We need to get the drive or have another entity work one up at this point as it is becoming time sensitive.

Brent spoke with Todd from SND on iron to use for signing and still had no answer on approval as of yet. We need to get an estimate on needed signage. Should have answer on approval shortly. Todd drove the trail system and suggested 10% increase for private leases in Ward and Mclean counties.

Brent suggested that some of us try take in the state ride this year. Looks like it will be in the Cavalier/Pembina or Arthur area.

Sept 10 is set for the raffle drawing at Hunters.

We discussed some tractor options for the coming season. We need to get some dollar amounts from Lance and leasing options. Marlo explained to Brent that a groomer can cover about 60 miles a day. We can get a drag from the state.

We need to purchase a banner for Awe Shucks by Sept 1. Pam suggested we just get one from something online for this event. Renee made motion to purchase one, 2nd by Travis. Motion carried. We will see what Brent finds out by our August meeting as to getting a logo one printed.

We currently have 52 members. Financial report remained the same. Sylvan reported all trails are still closed! Meeting was adjourned with the next meeting to be August 6, place to be announced.

Our picnic was a blast with everyone enjoying the water, weather, cold beverages, good food and a memorable weekend. We would have liked to see more of your faces as we got to know each other thru this outing. Hopefully we will do this yearly. This was a family outing so the kids had a great time and made some new friends. It was a great opportunity to get to know more about everyone. You missed a great time and hope to see you all next year. Those in attendance were Travis Klein, Wayne & Renee Klabunde, Eden & Sylvan Brunsell and family, Rusty & Emily Klabunde and family, Pam & Jeremy Kolden and family, Johnathan Sousa, Heather & Brent Schenfisch and family.
