President Brent Schenfisch initiated a Board of Directors meeting VIA text message for the purpose of whether or not to purchase liability insurance for Dickens. Answering the text were Chairman Marty M, Directors Dani H, Eden B, and Brock H. Under our regular insurance coverage through SND the first weekend of Dickens is covered, what would be needed are coverage for the second and third weekend. Cost would be \$50 per weekend. \$100 total to finish out the Dickens Village Festival. We need to pay in advance so we need to make a yes or no decision now or risk not being covered. Marty mad a motion to purchase the insurance, seconded by Dani, everyone voted yay. Motion Passed and meeting adjourned with the end of voting.
