

SFS Inc. Monthly Meeting
January 3, 2023
Garrison Golf Course

Brent called the meeting to order at 7 pm. All officers answered roll call. Members present were Sylvin B, Josh R, Heather S, Shelby S, Bristol S, Jamian S, Travis K, Connie M, Al M, and Greg G.

December minutes reviewed, Greg made a motion to approve the minutes, 2nd by Josh, motion carried.

Old Business: No payments or reimbursements were introduced. We received \$4,300 in donations for groomer window replacement and repairs. Defroster has been ordered. A new speed control is also on order.

New Business: LED beacons were discussed as current beacons are not highly visible. A few members have different kinds of strobes and beacons so these will be tried to determine what would work best for more visibility.

Beanie Purchase will be \$15 per beanie for our logo to be embroidered plus the cost of the beanie at \$3.29. Heather is going to check into the cost of having it done in just black and white or just SFS and a poll will be taken through WhatsApp after final costs are determined.

Trail Coordinator Updates: All trails are groomed and open. Concern was brought up about where the state DOT pushed snow on the backside of the ditch causing a dip in the trail. Brock felt strongly that if he could not insure safety on the trails that he did not want to continue as Vice President and Trail Coordinator and resigned the positions. Brock retracted his resignation soon after the meeting. Safety concerns on the trail will continue to be monitored and marked accordingly.

Connecting into Audobon for lake area access for next year was discussed.

Treasury Report: \$5000 in grooming expense account. \$7500 in general account.

Activity Committee: Fun Run January 7th involving the west loop. Plans for another fun run involving the east loop tentative date Jan 28th. Al and Connie Marum have offered to make chili to be served at the Cubby Hole for the January 7th fun run. Greg brought up the idea of setting out donation jars in different establishments.

Next meeting February 7th, 7 pm, location TBD.

Heather made a motion to adjourn meeting, 2nd by Sylvin, motion carried.
