

SFS INC Trail Assc

General Membership Meeting

01/06/2026 @ 7pm

Garrison Golf Club

Brent called the meeting to order, all officers answered roll call.

Nate Kleyer from Basin Electric Power company was a guest to talk and answer any questions about the transmission line footings on or near the Trail system. BECP will be in charge of making sure the footings on or near SFS trail system are marked for safety. Their plan is to mark these places with orange barrels and reflective stickers so riders will be aware of their location
